Overview

The Chamblee High School Tip-Off Club functions solely to enhance and support the Chamblee High School basketball program. The Chamblee High School Tip-Off Club is an organization based out of Chamblee, GA (DeKalb County) that provides year-round support to the Chamblee High School Basketball Program.

The Chamblee High School basketball program has athletes ranging between 9th and 12th grade. Our head coach Christopher Terry has been coaching in our community for over 15 years. He is committed to the development and empowerment of our future scholar-athletes by using basketball as a tool to:

- improve graduation rates;
- improve the health of our students through athletics and exercise;
- improve self-esteem;
- increase discipline; and
- improve self-worth.

Coach Terry has developed a coaching staff that fully supports the program and the development of the athletes. The program focuses on **hard work**, the **responsibility** of becoming well-rounded **productive** citizens in society, and a commitment to education **FIRST**.

As a non-profit organization, fundraising is a key component in maintaining a quality program.

Our primary revenue source is player dues paid by families and donations received from generous individuals and businesses. Since the player dues do not cover all the operating expenses, families often must

raise their own funds to pay expenses, such as pre-game meals, equipment, training fees, travel and tournament fees. The average cost per player to participate each year ranges between \$600-\$750, which can be particularly difficult for families.

We are counting on the community to support these athletes!!

Goals

1. To provide support for the Chamblee High School Basketball Program.
2. To increase exposure and expand reach for your business via sponsorship packages.
3. To encourage the growth and development of Chamblee/Brookhaven students and their families through team sports.

Sponsorships

There is no donation too big or too small when it comes to supporting our students and team. Please see below for the sponsorship levels and what they entail.

With any sponsorship, your business will have a banner posted at our gym for an entire year! There are over 50 athletic events held yearly in our modern gym with stadium seating for 3,000 people, including Regional Tournaments. In 2024, our gym hosted a high school basketball tournament for the best high school teams from all over the country during Thanksgiving weekend, giving the local businesses in our area visitors for the holiday weekend.
